### **Move To Stand**

- Since we last met it was determined some of the material is too mature for 6th graders
- 60 students from both 7th and 8th grade will attend (120 total)
- The students were nominated by staff and have been told; permission slips sent home
- Kathy suggested if we do this again to make changes to how the students were told; they were told in a group setting and feedback is that some students feel the selection process was unfair; Mrs Hayes agreed and will take that info back to the BLT.

### **Other**

- Brandy Johnson has been doing an excellent feeding the teachers!
- Holiday Teacher Breakfast went very well.
- Westwood and Fairview Middle both have an electronic front entry sign; FHS getting one, too; If asked, Mrs. Hayes wanted transparency that she chose to wait on an FMS sign due to the STEM lab project
