

Invest in FMS

What?

In lieu of general school fundraisers, families are asked to make a donation to the school.

Why?

Not having a traditional fundraiser keeps the kids in the classroom, not in multiple fundraiser checkpoint rallies. Plus, the money the school spends for fundraiser prizes takes away money for the school.

Monies raised from Invest in FMS are used for items that benefit all students. The PA system, presentation screen/drapery and chromebooks/carts are a few examples of past purchases.

How much?

This year's goal is \$20,000. If each family at FMS gave \$25, we'd already be over hit \$13,000. And remember, all investments are tax deductible.

But wait there's more! No, really.

New this year: when you invest in FMS you'll receive some awesome Falcon gear!

Invest \$25

and receive one 16 oz FMS stadium cup and two Falcon tattoos.

Invest \$50

and receive one pair of Falcon socks.

Invest \$75

and receive one clear 22 oz FMS water bottle. Perfect for school as clear water bottles are the only ones allowed during school.

Invest \$100

and receive one RISE UP FAIRVIEW t-shirt and one FMS stadium cup. This t-shirt is only available with the \$100 investment and not sold with other Falcon gear!
